- **Domain Expertise:** Legal Analytics, Banking Operations (AML/Credit Risk), HR Analytics, Regulatory Compliance, Public Sector Digital Transformation.

Professional Experience

Professional Data Analyst | Ministry of Communications & Information Technology (MCIT)

Cairo, Egypt | June 2025 – Present

- Led 150+ applied data analytics projects focused on digital public-sector KPIs and citizen service optimization.
- Processed and cleaned 50K+ records per project using Python (Pandas, NumPy) and SQL to support evidence-based policy decisions.
- Architected interactive Power BI dashboards utilizing DAX and complex drill-downs to monitor digital transformation impact and citizen behavior.
- Automated reporting pipelines, achieving a 35% reduction in manual processing time and a 40% improvement in data accuracy.
- Upheld strict data governance and privacy standards, ensuring all analytics adhered to regulated government quality frameworks.

Applied Data Analytics & AI Apprentice | Digilians - Digital Pioneers Initiative

Cairo, Egypt | Dec 2025 – Present (Concurrent Professional Development)

- Selected for a competitive 9-month Specialized Professional Diploma in Applied Data Analytics powered by AI, supervised by **MCIT** and the **Military Technical College (MTC)**.
- Developing end-to-end data capabilities, including advanced **Python**-based statistical analysis and AI-driven insight generation for market-aligned applications.

Legal Operations Analyst / Litigation Manager | Legal Experts Co. / Experts Law Firm

Cairo, Egypt | Aug 2024 – Present

- Synthesized data and law by normalizing 200+ legacy legal datasets into structured formats, improving reporting efficiency by 25%.
- Developed **Excel** KPI dashboards to track litigation costs, case progression, and settlement rates for 50+ attorneys.
- Implemented **VBA Macros** to automate document workflows and case tracking, reducing manual data entry by 60%.
- Applied **SQL** to query legal databases and utilized digital legal platforms to ensure data-driven insights for operational corporate governance.

Credit Risk Intern – Retail & Corporate Banking | National Bank of Egypt (NBE)

Cairo, Egypt | Sept 2024 – Dec 2024

- Analyzed data for 10,000+ daily transactions to ensure compliance with Central Bank regulations and **AML** (Anti-Money Laundering) standards.
- Streamlined reconciliation processes using **Excel Power Query** and **VBA**, reducing processing time from 4 hours to 30 minutes.
- Assisted in credit risk evaluation and compliance checks by analyzing financial statements and income reports to determine repayment capacity.

Team Lead – Training Program | IBM

Cairo, Egypt | July 2023 – Dec 2023

- Led a cross-functional training team to enhance workforce development and leadership within a global corporate environment.
- Coordinated team activities and designed structured exercises that improved team performance and communication metrics.

HR Analytics Specialist | L.M.F

Cairo, Egypt | July 2023 – Jan 2024

- Managed dashboards tracking 25+ HR KPIs, including attrition, training ROI, and performance metrics for 8,000+ employee records.
- Identified process improvements through data analysis that led to 22% documented productivity gains.

Technical Projects

- **Sales Analytics (+):** Analyzed 120K transactions to identify \$2.4M in potential revenue opportunities via trend analysis and customer segmentation.

- **Customer 360 ():** Developed a suite of 12 KPIs focusing on acquisition, retention, and churn, providing 15 stakeholders with real-time visibility into customer lifecycles.
- **Inventory Optimization (+):** Applied predictive modeling to historical stock data, achieving a 32% reduction in stockouts and a 28% reduction in excess inventory.

Education

- **Specialized Professional Diploma in Applied AI and Data Analytics** | Military Technical College (MTC) / MCIT (Expected 2026)
- **Master of International Law (LL.M)** | Cairo University (2025) | Grade: Very Good (High)
- **Bachelor of Sharia & Law** | Assiut University / Al-Azhar University (2023) | Grade: Very Good with Honors

Certifications & Awards

- **Technical Certifications:** IBM Delivering Quality Work with Agility (2026), **Power BI Specialist** (2026), **Google Data Analytics** Professional Certificate (2025), **MS SQL Development** (2024), **CS50** Harvard University (2023).
- **Leadership & Recognition:**
 - **Global Action Leader | UN COP27 (2022):** Led large-scale volunteer teams for the UNFCCC Secretariat; received official recognition from the **United Nations** and the Ministry of Social Solidarity.
 - Led a cross-functional team during leadership training at IBM, coordinating tasks for 10+ participants, improving project delivery speed and team output quality through structured delegation and feedback.
 - Acted as Action Leader at an international climate conference in Sharm El-Sheikh, supporting logistics and coordination for large-scale sessions involving hundreds of attendees and multiple stakeholders.
 - Earned formal recognition from the United Nations for contribution to climate-related initiatives, demonstrating leadership, reliability, and effective collaboration in a global environment.

Languages & Volunteering

- **Languages:** Arabic (Native), English (Advanced).
- **Volunteering:**
 - **Volunteer Leader | Life Makers Foundation (2010 – Present):** Over 15 years of experience leading community empowerment and social inclusion initiatives.
 - **Patient Care Volunteer | Egyptian Red Crescent:** Supporting medical teams and humanitarian initiatives in high-pressure healthcare environments.
 - **Climate Conference Volunteer & Team Lead | COP27 (Oct 2022 - Dec 2022)**
Organized and coordinated volunteer teams for the 2022 UN Climate Change Conference in Sharm El-Sheikh, Egypt. Raised awareness on climate change issues and initiatives for carbon reduction. Supported conference operations, logistics, and stakeholder communication to ensure smooth event execution. Developed leadership, teamwork, and event management skills through coordinating multiple volunteer activities.
